## INSTRUCTIONS

- Not Applicable to this Project – Check here, only when it is known that the project is not located in an area where the environmental condition or resources is nonexistent.
- Consultation Required – This requires contact with appropriate individuals at Federal or federally authorized agencies and documentation of that contact through attached notes and correspondence.
- Review Procedures Required – (e.g. 106 procedure of the Advisory Council on Historic Preservation)
- Permits Procedure Required – Attachments should indicate evidence of permits that have to be secured, or required procedures followed.
- Determination of Consistency, Approvals and Permits Obtained – (e.g. consistency with State coastal zone management plan). In areas requiring consistency or where

projects required Federal permits, licenses or other forms of approval, such requirements should be recorded here as having been met. Any condition, temporary permit or partial approval is recorded in the next column to a document recorded in the ERR.

- Conditions or Mitigation Actions Required – These should be listed and attached including any correspondence from reviewing agencies and a designation of responsibility for implementation.
